

Camp Awana

“Where Christ Is First”

A ministry of the North Side Gospel Center

Dear Faithful Prayer Warrior

Thank you for your recent contribution to the work of Camp Awana. Your commitment to support an individual on our summer internship program will help to enable them to be a part of our staff this summer. Camp Awana has a long tradition of mentoring and growing young Christian leaders. These college students of necessity must make money for school in the fall but have a heart for serving the Lord and leading boys and girls to Christ.

During the course of the summer they will alternate between working with kids as cabin leaders and working on our maintenance team. At that time they will be working in the kitchen/dishroom, cleaning, general grounds up keep and helping to support the program wherever needed.

Please pray for physical, spiritual and emotional strength for these students. This is a hard job they have chosen for the summer and 7 weeks is a long time.

We invite you to keep up with what is going on at camp this summer by visiting our website, www.campawana.org. There you will find pictures of camp and a blog from the director that updates highlights of camp as they happen. Also, if you happen to be in the northern Milwaukee area this summer, feel free to stop in and see us. We would love to show you around and even treat you to one of our famous camp meals. They are wonderful.

Thanks again for your financial and prayer support,

Nathan Bishop

Interim Director
