AREQUIPA, Peru

Dear friends and family,

I would you to inform you the progress of our outreach in Peru, Chile and Bolivia.

Since we left Lima, we have seen God's faithfulness and his provision for us. In each city, the churches have welcomed us with much love and affection; they made us feel at home. We ministered to the church and with the church, and we had the opportunity to disciple with them and do evangelism with them.

Also, we had the opportunity to train the leaders of each church in evangelism, and discipleship. Each week we ended up doing evangelism with the members of the church. We had the chance to share God's love in hospitals, schools, streets, churches and universities.

We still have 3 weeks left of outreach with the team. So I ask you for your prayers. Right now I am in Lima, but I am planning on coming to meet them in one week in Cusco. I ask you to pray for me so I can get the mo ticket and meet the team.

Prayer Requests:

- 1. For the Health of the team.***
- 2. For protection in our traveling.***
- 3. For the churches we are going to visit.***
- 4. For the churches we are going to visit.***
- 5. For many souls to know the Lord.***

***Sincerely,
Anita Ausejo***
