

I just came back from Baltimore. We had our JG Outreach in Baltimore. We ministered for 10 days. We had a good time. The kids were awesome. I miss them already. We had 500 salvations and 300 re-dedications. It was kinda hard to share in Baltimore...people are different..I don't how to explain...however God helped us.

On Thursday I'll be going to Singapore for 10 days and then I'll be going to Malaysia. We are going to have our JG boot camp in Singapore and then we'll split into 2 teams. One team will go to The Philippines and the other team will go to Malaysia.

I really wanted to go to Malaysia cause they have lots of Muslims and I have a heart for them. I wasn't supposed to go there cause I thought that I needed a yellow fever vaccination. But I called the embassy and they told me that I don't need it...so I felt that God was opening the door for me for Malaysia. So I'm so excited!!

Please keep me in your prayers for safe travel..I still need a little bit of money...but I know God will release it!!

Thank you!
