

Summit Trip: June 11th –31st

We will be leading a group of college and high school students to Summit Ministries in Manitou Springs this June 11th thru 31st. As many of you know Summit is a two-week training program that equips high school and college students for the battle of ideas being waged at our universities. Our students will be spending two weeks learning all about the Christian, New-age, Post-modernist, Secular Humanist, Communist, and Islamic worldviews. My family and I will

need an additional \$1250 dollars above our normal expenses to make this ministry trip. This will cover our fuel driving out and back and room and board while we are at the Summit. Would you please prayerfully consider supporting us on this trip financially? As always, we need your prayers for this trip, too!
