

Hi Prayer Team,

Please pray for outreaches we will be doing over the next couple of weeks at NYIT. We are planting a new chapter there this fall. It is a smaller technical school on the north shore of Long Island. Please pray for:

Good initial contact with interested students..

Favor with the Student Activities office as we do some outreaches out on campus

Approval of our budget for funds to use throughout the year

God to bring us missional Christians committed to our vision & NYIT campus
