

I know that this picture has nothing to do with the cusi cusi conference but it was mistakenly put in that file. I just wanted you to see our camping committee who did a great job this past summer (Jan-Feb) at the camp. You prayed for them and the Lord gave fruit as He always does! Please continue to pray for them. We'll be meeting again, the Lord willing, in July when we get back. I consider them some of the best Christian workers we have in NW Argentina and they are some of our best friends. From left to right front row: Norma Martínez, Dave, Rosanna Tejerina. Back row: Santiago Anagua, Betty Fernández, Irma Mamaní, Julia and Manuel Nava, Claudia Condorí, Martín Martínez.
