

I just got back from a bumpy and dusty trip to Angosto de Paraná 2 - 3 hours west of Orán. A new church has been started in Río Blanquito (1/2 an hour before getting to Angosto) with about 30 - 35 in attendance. Two gals from the Angosto church are teaching Bible school to 20 kids their on Saturdays. Renato and I gave seminars to the Bible students on relational evangelism and the gifts of the Spirit.

The Misa Rumi shot was taken in September during their annual conference. Thanks for praying!

Dave
