

Thank You  
for  
Your Gift

Dear Friends at WCCC,  
Thanks so much for the recent  
Christmas gift you gave us. It is so  
special to know that we are on your  
"radar" and that you express it in  
such a tangible way. Thanks again!

It was so thoughtful of you.

We look forward to this New  
Year that is already upon us.  
I'm sure there will be many  
new opportunities and challenges  
to trust God. Thanks for  
joining us in this journey.

Coming  
together
