

# Fischer FT Hood Update

## Cookie Brigade

**Our Chapel has started an out-reach to the single soldiers in the barracks! With permission from the Commanders we are able to knock on doors, hand out cookies, and invite soldiers to our Chapel's services and activities.**

- **Pray for many good spiritual conversations and opportunities to share the Gospel.**

## VBS 05-09 August

**Our Chapel's VBS is going to be for the whole family. It includes a class for the parents. We are going to lead an adult class on "Effective Parenting in a Defective World" by Chip Ingram.**

- **Pray that this would be beneficial for these parents as Army life adds many challenges to parenting.**
