Some of the soldiers in my 69th Air Defense Artillery Study/Thursday Night Discipleship Small Group to pray for!!!

Joseph (32)...recently renewed his faith and was baptized, just processed out of the Army, and is homeless. He is staying at the Copperas Cove Homeless shelter. He secured a job driving a taxi and fortunately was able to get in the Houston Guard. Pray he would be able to secure housing, find a better job, for his continued faith growth, and victory over a purity issue.

Zach (19)---just arrived from FT Jackson where he accepted Christ at Cadence's Victory Ranch in March. He plans to get married in July. (She is probably not a believer.) Pray he would listen to counsel on Biblical marriage. Pray that I would have time soon to meet with him one on one to ground him in his faith in Christ.

Erik (22)...he is bitter against his parents for raising him under a rock as he puts it. He was homeschooled until 8th grade and then lost his faith in High School. He wants to get serious about following the Lord. Pray he would deal with his bitterness against his parents as I have confronted him on it. Pray he would grow in the Lord through the study group and as we meet one on one for accountability and training.

Andrew (22)...divorced after being married for a month last fall. Pray for our getting together one on one to learn how to study and obey the Word.

Alan (late 30's)...recently came back to the Lord after living in rebellion for many years and seeing his life crash. He grew up in the church where his dad was the preacher. He is beginning his 2nd marriage soon. He is serving at the Hospitality House and boldly proclaiming Christ in his workplace.
