

Greetings from Tenancingo, Mexico!

We hope this finds you, your family and your ministries flourishing under the powerful Presence of God. We want to thank each of you for the unique and very important role you have, and continue to have, in our lives and ministry here. We recognize we are here by the grace of God and through the prayers and support of His faithful ones!

We want to invite you, your missions people, leaders, youth groups or families to come and experience real Mexico and all God is up to here. We are hoping to host several teams this summer from July 24- August 4, 2010.

We are praying about several different ministry possibilities: light construction (finishing) of a basketball court in a very poor area of the city that we've been doing ministry, English classes, Upward Basketball (teaching fundamentals of basketball while affirming each child and making them feel accepted and that they can!), and kids clubs. All will be done shoulder to shoulder with the youth and adults of our church plant so each participant will have a rich cross-cultural experience.

The cost is \$595 NOT including airfare. We have a couple in the US serving as liason to summer teams and they are willing to come to your church and do training, team building and work together to get the best possible airfares as a group, and to ensure God has a prepared team to be able to move among and use mightily.

If you are interested in joining us this summer, please send us an email back with any questions you might have. We also have a longer term summer position if you have individuals or couples looking for a more indepth missions experience (6-8 weeks).

May God bless as you serve Him there, and together we say "MAY HIS KINGDOM COME!"

In Him and for HIS Glory,
Kathy & Chris Gouzoules
