

Dear Pastor Steve, Tom and Missions team,

We hope you this letter finds you well. We are very grateful to you and your church for your love, prayer, and support of our ministry in Tenancingo, Mexico.

**We want to invite you and your church to a 'Tenancingo, Mexico thanksgiving event, Tuesday, November 15<sup>th</sup>, 2011, 6-8pm.** During the last 15 years in Tenancingo, God has transformed lives and the hope of the Gospel has been planted in a forgotten region infested with ancient Aztec witchcraft. We want to celebrate with you the fruit of His harvest.

We also celebrate a strategic step forward in the church planting movement we are sowing in the abandoned towns of central Mexico. Chris passed his senior pastor role of the Tenancingo church plant to a Mexican pastor. Richarte, one of the first baptized believers in Tenancingo, has been in training with us as co-pastor for a number of years. Now, he with his wife, Isela, pastor the Tenancingo church.

There are still a little under 70 unreached cities and towns in the region. We hope to briefly reveal the vision God is putting in our hearts for the transformation of the abandoned central Mexico region.

**We'd love to have you there and maybe get a caravan of others to join you.** We're sending you an 8 1/2" x 11" paper to hang in the foyer or announcement board please. A second paper includes 2 smaller invitations that you use as handouts if you wish

From 6-7pm - light dinner and fellowship time.

7-8pm - Celebrate the Harvest in Tenancingo presentation.

**We so appreciate your sacrifice, vision for missions, faithfulness and generosity! Please come and let us give God the glory together!**
