

The pictures below were taken one year ago March 27, 2010 in Colorado at our oldest daughter's wedding. Our second oldest daughter (in yellow dress) was married 10 months before her and her husband, first guy on the right, is named James.

By the way...our oldest daughter and our new son-in-law hope to go as missionaries to Japan this coming fall. Benjamin served short term in Japan not long before they got married while Jolynn was just finishing up a year in So. Korea.
