

It's almost 4 a.m. and I can't seem to sleep. I continue to think of two godly men.

Yesterday morning, in a packed out church in Grand Forks I got to say said goodbye to a good friend, 56 yr. old Neil Robinson who died suddenly from a heart attack while playing basketball this last week. Just hours later, 10 minutes

across town, my loved 64 yr. old brother peacefully breathed his last at 5:34 p.m. with my brothers Ralph and Jim, my sister Irene, his wonderful wife Carol and me at his side after a long and painful battle with cancer.

Both men loved Jesus and both have the unfathomable joy of seeing Him face to face right now.

Thanks again for the many expressions of love and care for these two men and our families!

**Gratefully yours in Christ,**

**John Hutton**

p.s. For those of you in the Grand Forks area, unless there is a scheduling conflict with the church, a prayer service will be held at Grace Baptist church in Grand Forks Tuesday night and a funeral for Dick will be Wednesday morning at the same location.
