

Lee's Newsletter February, 2010

Visa rules: Most of you know by now that our country has changed its rules and regulations regarding people who come and go on tourist visas. We now have an addition to our visa that says that each time we leave our country we must be out for two months.

When we left our country on December 15, we already had tickets to arrive back in our country on January 8. Our inability to use these tickets required changes in a couple of different areas:

Ticket cost: Since we were unable to use the first half of the tickets I mentioned, we had to change our dates. This cost us more than \$1,600.00 that was not in our budget. Please pray that the Lord will provide those extra funds. Please consider giving something extra to help to cover this unforeseen expense.

We will be leaving for our country on February 17 and arriving on the 19th. You may receive this letter while we are traveling.

Discipleship Course: As you know, we did the first one month session of our discipleship course in about this course. We are with Paul Victor and with Paul has been a great knows how to get things event with great skill. Our the daily lessons for those Paul and I did the teaching and are very encouraged by

November. We are very excited doing the course in conjunction Capstone ministries. Working pleasure. He is a man who done, and puts together an son Philip and I have produced taking the course, and Philip, sessions. We had a great group, the results of the first course.

We had scheduled our second session of the first discipleship course to be held in February. Due to the change in the visa rules, we have had to postpone that until we could get back. Please pray for the timing of our next discipleship course and that we will have another good group to attend the course, study, and learn more fully how to follow Jesus.

Capstone Community Church = C3 (C Cubed) As you know, we have been praying about and working toward planting a church in our city. We believe our job is to disciple, train, and encourage others as a part of our ministry. We believe the timing is right now for us to begin this church plant. Again in conjunction with Paul Victor, we will be starting Capstone Community Church on February 28. We will call the church C cubed. The target will be the younger generation – those mostly in their late teens, 20s and early 30s. We are planning the first 40 days to be days of special prayer, with an evangelistic meeting every day, and we are praying for 40 new believers during these 40 days. **We desperately need your prayers during this time!!!!!!**

As we have already seen, the enemy uses many “small” things to hinder God’s work. We really need you to dedicate yourselves to pray for us during the 40 days beginning **February 28**. If you are willing to pray with us during these days, for a miraculous beginning to a church that has not yet begun, please email us and let us know at: don_lee111@hotmail.com and Sharon_lee111@hotmail.com. We will send you email updates during this time so that your prayers can be up to date. We will email you the names of those who become believers through these efforts so that you can pray for them by name. If you can’t pronounce the names, our suggestion is that you just refer to them in your prayers by their first initial. God will know who you mean 😊

We are very excited about the things coming up in the next couple of months. We hope that you will be, too. We know that there is a great spiritual battle taking place, and this helps us to know that we are on the right track, because when we are making headway for Jesus, that is just the time that the enemy wants to attack

Finally, please pray for our financial support. The church that has been our largest supporter has had to cut their support significantly, starting this month. Others have also not been able to give every month. There has already been a shortfall in 2009. Please pray for this situation and consider giving a special gift to take care of this shortfall.

Thank you so much for your love, your prayers, and your financial gifts to continue this ministry for Jesus in our city.

We love you.

Don and Sharon Lee
