

Hello, I wanted to send you an update on C3 (C cubed) This stands for Capstone Community Church.

On March 1st, next Monday evening, will be the start of 40 nights in a row of meetings at the Capstone office facility. On Sunday March 7th there will be a launch with the first "official" service of C3, this will include a concert and this meeting will be in a rented facility which seats more people. There will be a similar service/concert on the 21st, same venue. All other meetings will be at the Capstone rented office facility.

Please pray with us for 40 new believers during this time. There are 12 college campuses in the area and thousands of urban youth who need to be reached.

Pray for strength and wisdom for Don and Paul and others who will be speaking at the meetings and for the discipleship courses that will take place afterwards.

Thank you for your interest and your prayers,

Don and Sharon Lee

Don, Paul Victor, Anita Victor, Sharon
