

Greetings once again. We will be leaving for South Asia this Tuesday, June 30.

We were able to see both Hannah and A Jay in Iowa in early June.

To our delight we were able to reconnect with Rich and Sveta Selby who were part of our church in Moscow when Don was pastoring there. They now live in Des Moines, Iowa.

We also attended an orientation with A Jay at the University of Northern Iowa in Cedar Falls. Lord willing A Jay will start there full time in August.

While in Iowa we celebrated Hannah's birthday (late) and we were able to visit the hospital where she works full time as an RN. Don also was able to give Hannah valuable input in her search for a small starter house.

We ended the month by attending the New Hope International annual retreat in Virginia.

We are so thankful to be part of New Hope and it was great to touch base with those who are not only on the field, but those who work so faithfully behind the scenes making it all possible.

Thank you for your prayers and support.

Don and Sharon Lee
