

We had our first meeting of 40 nights of meetings last night. 17 were in attendance and 2 of them were surprisingly from Bhutan, one of the most unreached places in the world today! One of the fellows was asking a lot of questions. Paul Victor had a banner and invitation cards made up as well. Paul led the worship and Don gave a short talk on spiritual blindness and spiritual sight.

Banner and invitation cards that look like this

Worship time

Teaching time

Questions and fellowship time

Thanks for praying!
