

Greetings from the US! Don and I arrived back in Louisville on April 23rd. Tim and Peggy Richardson were there to pick us up and it has been nice to be with family and friends once again.

Our first Sunday back Don spoke at our supporting church, New Covenant, and the next Sunday we shared at Elk Horn Baptist both in the Sunday school and during the morning worship. We are thankful for their support as well.

Ruthie graduated with honors from the University of Kentucky on Sunday, May 4th. Before her graduation she had a reception. “Aunt” Debi graciously opened her home for both Ruthie and her classmate Michelle, since both the girls did not have family in Lexington.

Needless to say we are very proud of Ruthie and this milestone in her life.

Hannah will graduate in Iowa on May 10th with her RN in nursing. Her graduation party will be on May 17th. We will spend the week in between in Oskaloosa, Iowa.

From there we will visit with friends in New York ending up in Vermont to have a visit with Philip. On the way home we will share in a supporting church in PA.

We have tickets to return to South Asia on June 25th. Thank you for your prayers and support to us.

Don and Sharon Lee
