

BREAKING NEWS!
FROM DON AND SHARON LEE

November 11, 2009

Every once in a while we are allowed to start something new. This month we are experiencing this in a major way.

We have joined together with a group called Capstone, which is under the leadership of Paul and Anita Victor. Together with them, we are doing a new discipleship program.

This is a pilot program that we hope will become a major part of our efforts here in India. Don and our son Philip have worked together to produce the daily lessons for this program. The daily lessons are designed as a daily "devotional" for each one to do at home. We are meeting for the 4 Saturdays of November for about 4 hours. Three hours of this time is for teaching sessions. The rest is a break time and we conclude with lunch.

Paul Victor has done an astounding job of finding us a place to meet, as well as recruiting those who have joined us. He will also do some of the teaching sessions. (Pictured at right.)

Please pray for the 18 people who are part of this program right now. When you receive this letter the program will be nearing completion.

But that is when we need the prayer the most!!! We do not want this to just be something that changes people for the short time we are meeting together. Our desire is that this discipleship course will make changes in those who are a part of it, and that these changes will last throughout their Christian lives. This is a major request, and we hope that you will pray with us for this kind of transformation in the hearts and lives of those

we are teaching now.

With thankful hearts,

Don and Sharon Lee

Thanks so much for your regular support
