

Hello. Thank you for your support to us this past month. We moved into our apartment in Memphis mid June and are getting used to the downtown lifestyle.

Hannah came from New Mexico to see us for a few days in July. Then we all went to Campbellsville, KY so Hannah could move some of our furniture to her house in Iowa. On the way, we stopped in South Bend, Indiana to attend the funeral for Don's Uncle Lou who had passed away.

We helped Hannah clean her house and yard and got all the furniture moved in. Don and Hannah scraped and painted the worst portions of her house as well. A Jay came down from Cedar Falls, IA on his motorcycle to see us. While there we attended Dons' 35th high school reunion and celebrated A Jay's 23rd birthday early.

We just got back from yet another trip to Campbellsville, KY where we had a yard sale to get rid of what was left in our house. It now stands empty ready to auction on October 1, 2011.

We also celebrated our 33rd wedding anniversary on August 12th. Thanks again for your support and prayers for us as we transition to this urban ministry.

Don and Sharon Lee.
