

We need your prayer!!

Last week, we received notice that the owner of the condo unit where we are living wants to sell our place. Tuesday afternoon, a potential buyer is coming to look at the apartment. Please pray that we would somehow be able to stay here.

Classes at Faith Academy start on Thursday, Don has been busy preparing for the new school year. On Saturday, he lead a concert of prayer with the entire staff at our all staff retreat.

Kristen was asked by her principal to fill in for a new elementary teacher who has been unable to secure the finances she needs to be her for the start of school. Please pray for Katy, that God would provide the funding she needs to get here. Pray for strength for Kristen as she will be teaching this 2nd grade class, as well as helping our boys as they start a new year.

Pray for our family, for peace and reassurance of God's hand in our lives as we face some very uncertain days and weeks ahead.

This is the worst possible time for us to have to pack up and move, especially since we have spent the past weeks since returning to the Philippines unpacking and getting settled back in our home.

Our prayer is that we would not have to move, but if we do, that God would provide the home we need and the strength and endurance we will need to transfer to a new place.

Thank you for upholding us in prayer,  
Don and Kristen
