Dear Friends,

It is hard to believe that together we have reached our goal to send me to minister to the people of Brazil. I am humbled by the reminder of God's ever-present provision for the needs of His children. Because of your support, my cup is spilling over, and I am able to use my excess to aid other members in Chorale with their support raising.

I am excited to go on this trip at the beginning of the summer. Plans are taking shape such that we are going to have the opportunity to witness to many cultures within the urban settings of Brazil. Thank you so much for your obedience to God, and willingness to give to support His mission. As plans develop and things get underway, I will be sure to send updates on all that is happening.

Once again, thank you very much. May God bless you in your endeavors as you are constantly shaped into His image.

Sincerely,
