WHY DARAJA HOUSE?

The Kenyan Government says that we should send our orphans back to Kibera Slum when they reach age 18!!! We at First Love International Ministries believe God has given us a different plan...

For I know the plans I have for you, declares the Lord. Plans to prosper you and not to harm you. Plans to give you a future and a hope Jeremiah 29:11

With God's supply of finances through friends in the US, we continue to build this incredible building for our 18-25 year old Children's Home kids!
