Manila Ocean Park
While we had planned to visit the island of Corregidor over our Fall break, a fast approaching typhoon was closing in. The threat of our three hour tour extending into several days forced us to cancel. Instead, we enjoyed an overnight at the Hotel H2O and a visit to the Manila Ocean Park. We loved seeing God's creative handiwork and finding sea life that we had seen snorkeling.

Fall Semester at Faith Academy

Kristen is once again teaching 5th grade. She has a very international class, with students from five continents, including the US, Korea, Germany, Australia, the Philippines, and Kenya. The class theme verse for the year is Hebrews 10:24: "And

let us consider how we may spur one another on toward love and good deeds." Please pray for this diverse group of children that they will grow in their love and respect for each other as they learn and grow academically.

FRIENDSHIP/ SPIRIT WEEKS

-are two favorite weeks of many, including our sons. Whether it is dressing as a hip hop star or decorating their hall as a castle with

protective archers, these weeks bring friends together.

SENIOR 'CLASS ACTS'

David has enjoyed working with his Senior Class to put together one-act dramas and a few musical pieces. David is seen above as the father of his best friend as he played a powerful publishing

giant. The crowds loved the fun and humorous acting.

ROASTING HOT FELLOWSHIP

When we moved into our new home, we found someone to build us a fire pit. It has been great to host outdoor parties. People have enjoyed traditional hot dog roasting and making s'mores.

Good food and fun = smiles.
