May your home be filled with Joy throughout the year

Dear Friends at Windy City Community Church,

Thank you ever so much for your generous Christmas gift to me of \$220. Your faithful prayers & support of me over these 32 years is much appreciated. Thank you for the \$300 sent to me for speaking at the Women's Ministry group & on Sunday morning at Church. I considered it a privilege to be there & share with you what the Lord is doing in Irian Jaya (PAPUA). You are a vital part of what the Lord is doing there.

*Rejoicing in Jesus birth,
Susan Moos*

These things I command you, that ye love one another. John 15:17
